YouthNet

Sponsor Form

YouthNet is the UK's first 'virtual' charity and works to engage, inform and inspire people to help them fully participate in the world around them. YouthNet achieves this through two innovative services:

- **www.TheSite.org, the UK's most comprehensive information, support and advice service for young adults (16-24 year olds).**
- **www.do-it.org.uk, the central place on the web for finding out about volunteering.**

Through these two services, YouthNet has changed the way people access the information and support they need whenever they need it, wherever they are.

If those sponsoring you are UK taxpayers, their support can qualify for 'gift aid'. This means that YouthNet can claim back the tax the person sponsoring you has already paid on their sponsorship direct from the Inland Revenue – at no cost or effort to them. To qualify for Gift Aid, what they pay in income tax (or capital gains tax) must be at least equal to the amount we will claim in the tax year.

This means that for every £100 of gift-aided sponsorship you raise YouthNet will actually receive £128 – at no extra cost or effort to you.
So go on, tick the box and gift aid it…
